

# CONCESSION STAND

Please arrive early in order to turn equipment on.

When making the volunteer schedule, please assign two parents to work each game. Remind them that it is their responsibility to find a replacement if they are not available to work and that no children are allowed in the stand. Please get schedule to me as soon as possible. A list of all games and scheduled workers will be hung in the stand.

Please be sure the stand is clean at the end of the night. There are two spray bottles with sanitizer in them to spray down the equipment.

Coaches are responsible for the money envelope.

Hot dog roller:

This takes time to heat up. Turn it on high and place hot dogs on rollers. We may have to boil the first batch to get started.

Popcorn machine:

Turn on kettle and light and let warm up for 5 minutes. Place  $\frac{1}{4}$  cup of popcorn oil and 6 oz of kernels in kettle. Dump kettle when finished popping and turn kettle off. Measuring cups are next to machine and popcorn is in bucket under table.

Sno Kone:

Pretty straight forward. Put in some ice cubes..hit the red button.. and you have sno kones.

Nacho machine:

The cheese will be in a metal container in the refrigerator. Place it in the machine to warm it up and when done, cover it and return back to refrigerator.
